Chuck “The Hit Man” Hiter draws upon his athletic talent, amazing hand-eye coordination, motor skill ability, and professional golf and baseball background to create an impressive and astonishing golf entertainment show.

Besides being an unequaled master at hitting golf balls thrown in mid-air like a baseball, Chuck also performs unbelievable shots using such props as a club head attached to a rope shaft, and driver that is 20 feet long. The tricks he performs are not only amazing, but also creative. He can even hit perfect 350-yard drives in mid-air while balancing on a basketball, unicycle, or even while standing on one foot on top of a thin 6-foot pole. With such an extensive list of amazing skilled shots, Chuck is considered the best trick shot artist in the world today.

In addition to being a trick shot expert, Chuck is also an excellent player. As a touring golf professional, Chuck has three wins to his credit, and has a personal best score of 63 on seventeen different occasions. “The Hit Man” is also a long drive champion, and holds the Guinness World Record for distance and accuracy while hitting a golf ball out of mid-air.

Chuck tours the country giving about one hundred performances per year at corporate outings, charity functions, PGA tournaments, and other special events. He has appeared on all of the major TV networks, and has also been featured in several magazines and newspapers including *Sports Illustrated*, *Golf World*, and *USA Today*.
